Belvedere is the industry leader in Salon and Spa design and furnishings and has been for over 85 years. Industry leaders Horst Ackermann and Barry Sanders have moved the privately held company forward with cutting edge Salon and Spa Design, the highest quality equipment and fashion forward style; All of this with a focus on quality, design and affordable prices. Belvedere's world headquarters is located in Belvidere, IL USA and has manufacturing facilities located in the USA, Canada, and Mexico. In addition to Belvedere's production facilities, there are 6 full service showrooms located throughout North America.

Belvedere has the distinction of multiple Stylist Choice awards from BehindTheChair for "Best Furniture Company" as well as a multiple perennial winner in Salon Today's "Salon of the Year" competition.

Belvedere is proud to say that all Belvedere products are manufactured in North America!

Today, we have over 150 employees and over 300,000 square feet of state-of-the-art manufacturing facilities. We are the largest, most successful salon furnishings manufacturer in North America. Our computer precision woodworking equipment produces the finest salon desks, workstations and cabinets available on the market today.
