## Furniture and Equipment for Cosmetology Schools

**belvedere**

Giving Education  
The EDGE

For the past 80 years, Belvedere has been the leading supplier of salon and spa furnishings. Today, Belvedere also supplies cosmetology schools with the highest quality equipment in the industry. With products designed for long-lasting function and durability, Belvedere can help you create a unique look for any demanding school environment.

Today's beauty and barber schools must be on the cutting-edge of technology, and Belvedere's EDGE program provides just that! The EDGE furnishings combine innovative design with superior quality.

Belvedere also provides complete turnkey salon design services. Our ASID (American Society of Interior Designers) certified staff will design your floor plan, specify lighting and create your style with wall, floor and ceiling treatments.

Start with the EDGE Planning Guide and DVD. Use this tool to explore your options and receive helpful tips on design and product knowledge.

For all your school and salon design needs, count on the professionals at Belvedere.

SCHOOL COLLECTION

**Added Value**

Cambric material protects bare wood and fasteners and also provides a professional finish to every Belvedere chair.

# Seating

**Added Value**

Extra wide 1-1/2" chrome parts are triple plated to automotive quality and are extremely abrasion resistant.

# Bowls

**Added Value**

The thermofoil top on the bowl cabinet is vacuum formed to prevent moisture absorption.

**Added Value**

Impervious to harsh acids and chemicals, Belvedere bowls provide easy maintenance and good looks at an affordable price.

**Added Value**

As the industry's only manufacturer of quality porcelain enamel bowls, Belvedere handcrafts each bowl to create a durable, beautiful finish.

# Dryers

**Added Value**

Belvedere dryer hood filters are easy to access from the top of the dryer.

# Cabinetry

## Added Value

Versatile furniture components allow for flexibility in school design and planning.

## Added Value

PVC edge banding applied with polyurethane glue resists water damage, chipping and dents; rounded corners and edges eliminate sharp surfaces.

## Added Value

Belvedere ensures its laminated materials are made of balanced construction. Each shelf is laminated on both sides and sealed to provide equal density and added strength.

## Added Value

Stainless steel worktops provide durability and clean lines.

The EDGE is in the details...

## Fabrics

Rather than the typical 27 oz. fabric used on most styling chairs, the Belvedere Edge fabric is 32 oz., ensuring durability and long-lasting wear on the most frequently used piece of equipment in your school.

## Finishes

With standards built to last, Belvedere Edge furniture with stainless steel worktops combines function and clean lines.

## Accessories

Well thought out details like the foam padding inside the mannequin holder prevent damage to seat backs.
